

CARTONPLAST – OUR CONTRIBUTION TO YOUR SUSTAINABLE ALIGNMENT

WE ARE PARTICIPANT OF THE UN GLOBAL COMPACT AND CONTRIBUTE TO THE UN SUSTAINABLE DEVELOPMENT GOALS

OUR TWO CYCLES FOLLOW A SUSTAINABLE MISSION

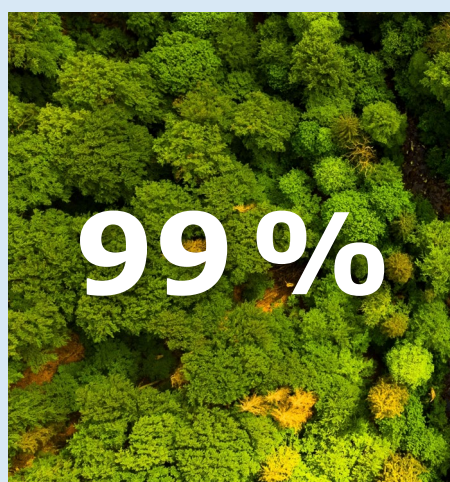

- Taking actions with a responsible corporate governance
- Reducing GHG-emissions
- Minimizing waste & reducing single used plastic
- Saving resources like water and energy
- Relying on circular economy, reusability & recycling

REDUCE YOUR ENVIRONMENTAL IMPACT

- Our strive for sustainability has been awarded by EcoVadis – an independent sustainability rating organization
- For our different locations we already received silver and gold medal

SAVE WATER

**SAVE LAND AREA
FROM DEGRADATION**

SAVE CO₂ EMISSIONS*

*numbers are based on the Comparative Life Cycle Assessment for plastic pallets in Germany

**The CARTONPLAST Group looks forward to being a valuable partner at your side.
Work with us and let us optimise your supply chain together!**
