

## IT Manager (SW / Infrastructure)

Full Time      CPL Iberia (Spain & Portugal)

Cartonplast Group, headquartered in Dietzenbach, Germany, is the market leader in returnable transport packaging for the food and beverage industry. Our product portfolio includes layer pads, pallets and closures made of reusable and recyclable plastic. Every year, we move more than 300 million returnable packages. Around the clock. Almost Worldwide.

Today, more than 750 employees in 12 countries work day by day for Cartonplast and do their best to provide our customers with the perfect pooling solution. With more than 18 of our own service and logistics centers worldwide, we are one of the largest pooling providers of returnable packaging solutions.

For our company, which continues to expand in its existing but also into new markets, we are looking for people with commitment and a sense of responsibility who aspire to professional versatility. At Cartonplast, you can expect fair and performance-related remuneration, individual training in line with your area of responsibility, and bonus programs.
